Mentors and Students,

This form serves as mentor approval of student’s proposed presentation for the 2020 Undergraduate Symposium. Mentor signature and support is required for all applicants of the Undergraduate Symposium.

This form is to be uploaded by the student on their online application to present at the Undergraduate Symposium. All students who complete their application by the deadline of February 15, 2020 end of day will be assigned a presentation slot for the 2020 Undergraduate Symposium. Time and presentation format preferences are assigned first come first serve.
